2018 COLLEGE MEETING

ACADEMIC PROFESSIONAL AWARD FOR EXCELLENCE

ACADEMIC PROFESSIONAL AWARD FOR EXCELLENCE

JENNIFER BERGMARK

COORDINATOR OF ART EDUCATION AND CLINICAL EXPERIENCE, SCHOOL OF ART + DESIGN "Although frequently ignored, it is the 'how' of what we do in art education that helps risk-averse students to take the plunge and ultimately engenders newness of thought, invention, manipulation, pedagogy, and ethics. Dr. Bergmark's ethic of caring is a strength we should all emulate. Were it not for the tireless efforts of Dr. Bergmark, we would consistently fall short of this program/life objective."
