Greetings,

After reviewing the Interim Progress Program Report (IPR) submitted by University of Illinois at Urbana-Champaign School of Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report.

In addition to the mandatory information required by the 5th-year IPR in 2020, the report should also address the following issues:

1. The implementation progress of the diversity plan;
2. The results of the Curriculum Committee's plan to resolve B.1 Pre-Design deficiency; and
3. The outcome of proposed Bylaws changes. The school is reminded that elective courses cannot be used as evidence of meeting SPCs. Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,

Judith Kinnard, FAIA
President
