I. AUTHORIZATION, PURPOSE and INCORPORATION OF EXISTING POLICIES

The name of this organization shall be The Illinois School of Architecture, College of Fine and Applied Arts, University of Illinois at Urbana-Champaign (hereafter referred to as The School). The purpose of these bylaws is to promote self-governance, collegiality, and the orderly conduct of business of The School. These bylaws supplement the Bylaws of the College of Fine and Applied Arts and the Statutes of the University of Illinois. If they conflict with either the College Bylaws or the University Statutes, the College Bylaws or the University Statutes shall prevail. Robert’s Rules of Order (Scott Foresman, most recent edition) shall apply to the extent that its provisions are not inconsistent with the University Statutes, Bylaws of the College of Fine and Applied Arts, or these bylaws. Throughout this document, “The College” refers to the College of Fine and Applied Arts unless otherwise noted.

The School documents entitled Policies and Procedures Manual (as approved by faculty 05/07/2013 and any subsequent amendments) is hereby incorporated by reference as it currently exists and as it is subsequently amended by a vote of all eligible faculty. These bylaws shall override any contrary policy or procedure of The School but shall not supersede any mandatory provisions of the College of Fine and Applied Arts or University.

II. MISSION & VISION

Mission Statement: At Illinois, we are an internationally recognized leader in educating future professionals and scholars in architecture and allied fields. We provide a robust technical and conceptual program that enables students to create and innovate. The depth and breadth of our curriculum enables students to become leaders in a range of disciplinary specialties. Our comprehensive programs prepare students to design and research in a rapidly changing global context from the macro to the micro scale through our bachelors, masters, and doctoral degrees. (Approved by vote of the faculty 11/18/11)
Vision Statement: Learn from the past. Question the present. Shape the future.  
(Approved by vote of the faculty 11/18/11)

III. FACULTY AND OTHER MEMBERS OF THE SCHOOL

A. Faculty. The faculty comprises those members of the tenure-system or specialized faculty with the rank or title of professor, associate professor, or assistant professor.

Responsibilities and Privileges of the Faculty

1. Tenure-system faculty: The primary responsibilities of the tenure-system faculty are to conduct research, to teach and mentor graduate and undergraduate students, and to render service to the academic community and the public in accordance with current campus guidelines for promotion and tenure and in the approximate percentages of a faculty member’s FTE as noted in his/her accepted offer of appointment or as later modified by the Director in consultation with the faculty member and the School’s Executive Committee. Appointment and promotion of tenure-system faculty is governed by Provost Communications #3 and #9.

2. Specialized Faculty are non-tenure system faculty who hold modified professorial titles such as teaching, research, and clinical professors (assistant, associate and full); visiting unmodified professorial titles (assistant, associate and full); lecturer, senior lecturer; instructor; senior instructor; and teaching, research and clinical associate. Employment, appointment, and promotion of Specialized Faculty are governed by the Provost Communication #25, #26, and #3, respectively. Primary responsibilities of Specialized Faculty are defined by their title (teaching, research and clinical) as well as the any specific agreements stated in the offer letter at the time of their latest appointment.

3. As the responsible body in the teaching and scholarly activities of the School, the faculty has inherent interests and rights in establishing academic policy and governance. Therefore, all faculty members (as defined above) who are not on leave are expected to attend meetings of the School faculty. Each member of the tenure-system faculty as well as each Specialized Faculty with a 0.5 FTE or more has one vote in any and all voting matters that come before the faculty during meetings of the School or that result from meetings of the School. Specialized faculty shall not participate in discussions or voting on matters related to annual review, promotion and tenure of the tenure-system faculty.
4. Specialized Faculty with a 0.5 FTE or more may vote in elections for all of School's elected committees. However, only tenure-system faculty may serve on the School’s Executive Committee and Grievance Committee. Arrangements for temporary appointment of Specialized Faculty to Promotion and Tenure Committee as well as the Grievance Committee are addressed in section VIII.B.d and VII.B.1.e below. Specialized Faculty may serve on standing committees of the School, with full voice and vote, except for Promotion and Tenure Committees as noted above. Additionally, Specialized Faculty may vote in elections for School representatives on College committees.

5. All Specialized Faculty with a 0.5 FTE or more may voice their views on matters before the faculty, but shall not vote on any such matters. Responsibilities of these academic staff shall be specified in the letter of appointment written by the Director in consultation with the School’s Executive Committee. Their appointment letters shall also note percentage of FTE appointment, start and end dates of appointment, and shall identify the method by which the School shall evaluate the individual’s performance as well as how any reappointments shall be made.

B. Other Academic Staff Members of the School. The following shall be known as members of the School for purposes of governance and are granted voice, vote, and other privileges as stipulated below.

1. Emeritus/emerita faculty comprise all former faculty who have been granted emeritus/emerita status. The emeritus/emerita faculty may continue to undertake activities of the School, which shall be negotiated with the Director, in consultation with the School’s Executive Committee. Emeritus/emerita faculty are invited to all meetings of the School faculty and shall be accorded voice but no vote at such meetings.

2. School affiliates comprise faculty in units of the University of Illinois at Urbana-Champaign who hold appointments in units other than the School and who have been recommended by the Director for such an appointment after seeking the advice of the School’s Executive Committee. School affiliates are invited to attend meetings of the School faculty and shall be accorded voice but no vote at such meetings.

C. Academic Professionals are employed by the School to provide a wide variety of administrative, professional, and technical support and services. Academic Professionals comprise all persons employed in the School for fifty percent (50%) or more of full-time service. Academic Professionals are appointed to the School to serve specific purposes defined by the Director in consultation with the School’s Executive Committee. Academic professionals are invited to attend all meetings of the School faculty and shall be accorded voice but no vote at such meetings, unless
granted voice and vote by virtue of holding a zero-percent Specialized Faculty position (see III.B.2, above).

D. Non-Academic Staff. Non-academic civil service staff comprises all persons employed in the School for fifty percent (50%) or more of full-time service with off-probationary status or on probation. The duties and responsibilities of the nonacademic staff are specified in the Employment Description developed by the Director and that person’s supervisor, reviewed by the executive committee, and approved by the Civil Service System of the State of Illinois.

E. Graduate Students. Graduate students comprise all students matriculating in the graduate programs that grant the degrees of Master of Architecture, Master of Science in Architectural Studies, Doctor of Philosophy, and non-degree graduate students registered in this capacity. The primary responsibility of graduate students is to make progress toward the degree for which they are matriculating.

F. Undergraduate Students. Undergraduate students comprise all students working towards the degree of Bachelor of Science in Architectural Studies and non-degree undergraduate students registered in this capacity. The primary responsibility of the undergraduate students is to make progress toward the degree for which they are matriculating.

IV. OFFICERS

A. Director of the School.
   1. Title. The chief executive officer of the School shall be a Director.

   2. Appointment. The Director shall be appointed annually by the University of Illinois Board of Trustees on the recommendation of the Dean of the College of Fine and Applied Arts, the Chancellor, and the President.

      a. The faculty of the Illinois School of Architecture shall offer its advice for selection of a new director to the Dean through a search committee.

   3. Evaluation and Tenure. The performance of the Director shall be evaluated at least once every five years in a manner to be determined by the faculty of the School in conjunction with The College (University Statutes Article II, Section 5b). The Executive Committee can request an additional evaluation of the Director in extra-ordinary circumstances. As one component of any evaluation, views shall be solicited from the entire School faculty (Statutes, Article IV, Section 3a) and incorporated into the review commentary.

   4. Duties of the Director
a. Pursue a vision for the School;
b. Work to strengthen the School’s national and international reputation;
c. Serve as the medium of communication for all the official business of the School with The College, the students, and the public;

i. In consultation with Executive Committee and Program Chairs, make annual written reports on the work of the School and other interim reports as requested by The College;
j. Have general oversight of student work within The School through observation and discussion, the annual reports of the Programs, and the minutes of the meetings of the Executive Committee and Curriculum Committee;
k. Recommend the appointment, reappointment, non-reappointment, and promotion of members of the faculty, academic staff and academic professionals. Regarding such recommendations, the Director shall consult with the School’s Executive Committee, who shall provide the Director with the advice of the appropriate committee(s). Regarding recommendations of promotions of members of the academic staff and academic professionals, the Director shall consult with the School’s Executive Committee, who shall provide the Director with the advice of the committee. Regarding recommendations of promotions of members of the faculty, the Director shall consult with the School’s Promotion and Tenure Committee, who shall provide the Director with the advice of the committee. All such recommendations shall ordinarily originate with the committee(s) in charge of the work concerned, and shall be presented to the Director for transmission with recommendation to the Dean of The College.
l. Call meetings of the School faculty to consider questions of School governance and educational policy at such times as the Director or the
Executive Committee deem necessary, but not less frequently than twice each academic semester;

m. Be responsible for the care and use of School buildings and rooms assigned to the School, and for the equipment of the School;

n. Represent the School at administrative conferences, except that additional representatives may be designated by the Director in some cases;

o. Appoint faculty members to the Lectures and Exhibitions Committee and any Ad Hoc Committees or Task Forces identified as necessary by the Director in consultation with the Executive Committee;

p. Serve as Chair of the Executive Committee.

5. Administrative Responsibility. In the administration of the office, the Director shall recognize the individual responsibility of other members of the School for the discharge of the duties assigned to them in their appointments.

B. Associate and Assistant Directors. The Director may be assisted in the administration of the School by Associate and Assistant Directors, the duties of each are to be determined by the Director in consultation with the Executive Committee. The Associate and Assistant Directors shall be (or become) members of the faculty of the School and shall be accorded faculty meeting voting rights consistent with that classification. The performance of the Associate and Assistant Directors shall be evaluated annually by the Director in consultation with the Executive Committee.

V. ORGANIZATION OF THE SCHOOL

A. Academic Programs

1. Definition. Academic Programs (hereafter referred to as Programs) are subunits of the School whose faculty and students share similar research interests, curricular concentrations, and professional goals. Programs comprise specializations that offer coursework to fulfill and augment core curricular content.

2. Duties. Programs are responsible for offering courses that contribute to the required core curricula of the BSAS and MARCH degree programs, as directed and overseen by the Curriculum Committee, as well as elective coursework. Programs may also offer formal or informal concentrations within the School’s professional MARCH degree program as well as courses of study and formal concentrations within the MS degree program with the intention that these will enable graduate students to develop acknowledged specializations within both graduate degree programs.

3. Faculty Participation in Programs. Procedures for Program participation are outlined in the School’s Policies and Procedures Manual.
4. Officers
